

EXTENSIONS OF REMARKS

RECOGNIZING JUDGE CHUNG K. PAK

HON. DAVID J. TRONE

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Mr. TRONE. Madam Speaker, I rise today to recognize Judge Chung K. Pak, who was recently appointed Chief Administrative Law Judge of the Maryland Office of Administrative Hearings.

On June 10, 2020, Judge Pak made Maryland State history by becoming the third Chief Administrative Law Judge of the Maryland Office of Administrative Hearings, and the first ever minority Chief Administrative Law Judge. As Chief Administrative Law Judge, he leads the Maryland Office of Administrative Hearings (OAH) and its Administrative Law judges, who are responsible for conducting fair and impartial hearings to resolve a variety of disputes stemming from actions of Maryland's many executive agencies.

Prior to this appointment, Judge Pak served as an Administrative Patent Judge at the United States Patent Trial and Appeal Board for over 23 years, where he adjudicated over 6,000 patent cases involving emerging technologies and complex legal issues and wrote over 2000 opinions eligible for appeal to the U.S. Court of Appeals for the Federal Circuit. Judge Pak also served as a corporate intellectual property counsel at Union Carbide Corporation and Praxair, Inc. While there, he provided legal advice and counsel on a wide range of intellectual property issues, including domestic and foreign patent procurement, litigation, trade secrets, antitrust, licensing, and technology transfer issues.

Although Judge Pak is a proud and longtime Marylander, he grew up in Alabama after he and his family immigrated to the United States from South Korea over 49 years ago. Like many immigrants, Judge Pak and his family faced difficulties due to limited economic resources and language and cultural barriers. However, due to their resolve, hard work, faith, and neighbors' help and friendship, Judge Pak and his family were able to overcome these obstacles. In the years that followed, Judge Pak worked his way through school and graduated from Auburn University with a Bachelor of Science degree in Chemical Engineering. He later graduated from the Columbus School of Law at The Catholic University of America with a Juris Doctor degree while working as a U.S. Patent Examiner at the U.S. Patent & Trademark Office. Judge Pak then was admitted to the U.S. Supreme Court, the U.S. Court of Appeals for the Fourth Circuit, the U.S. Court of Appeals for the Federal Circuit, Maryland Bar, Virginia Bar, D.C. Bar and Patent Bar.

Judge Pak's dedication to public service and making a difference in our country and community is also evident in his activism. Justice Pak is a highly venerated civic activist and leader in Montgomery County and Maryland.

Over the years, he has served on the boards of and in leadership positions on a number of nonprofit community organizations. In particular, he has served as Commissioner of Maryland Higher Education Commission, the Maryland Governor's Commission on Asian Pacific American Affairs, and Montgomery County License Commission; Co-Chairman of the Montgomery County NAACP Multicultural Partnership; Board Member of Progressive Maryland, Montgomery County Branch NAACP, Committee for Montgomery, Maryland Attorney General's Advisory Council, Montgomery County Executive's Asian American Advisory Board, Montgomery County State's Attorney's Asian American Advisory Board, and Montgomery Upcounty Citizens Advisory Board; Chairman and President of League of Korean Americans of Maryland; Montgomery County Asian American Police Advisory Committee, Taskforce to reduce racial tension in John F. Kennedy High School, Comptroller Peter Franchot's Transition Team, and County Executive Ike Leggett's Transition Team.

Known as a consensus and bridge builder, Judge Pak has worked closely with Latino, African American, Asian Pacific American, labor, women, religious, and civil rights groups on issues of common concern. His extraordinary life story and significant contributions to the community have been featured in the Gazette's "One of Forty Who Cared," and in other newspaper articles. For his outstanding service and contributions, he was inducted into Montgomery County Human Rights Hall of Fame. He also received International Leadership Award; The President's Volunteer Service Award; Maryland Governor's Volunteer Service Award; Progressive Maryland's Progressive Leader Award; Montgomery County Executive's Office of Community Partnership's Trailblazer Award, MCDCC's Kelsey Cook Volunteer of Year Award; Census Department's Census Outstanding Volunteer Service Award; Asian Pacific American Chamber of Commerce Outstanding Community Leader Award, Federal Asian Pacific American Council Outstanding Leader Award, Maryland Coalition of 100 Organizations for Recognition of Asian Lunar New Year's STAR of Maryland Asian Pacific American Community Award; League of Korean Americans of Maryland Outstanding Service and Presidential Awards; Korean American Senior Citizens' Advocate Award; Montgomery County Branch NAACP Certificate of Appreciation; USPTO Asian Pacific American Network Leadership Award; and many other awards. As Senator Barbara Mikulski once said, "Judge Pak has spent a lifetime fighting injustice and inequality. His story is truly an embodiment of the American dream and an example of leadership with compassion and commitment to public service."

Mr. REED. Madam Speaker, today I rise to honor Sergeant Ralph Elliot Bowen, the last surviving World War II veteran from the Seneca Nation's Allegany Territory, for being inducted into the New York State Senate Veterans' Hall of Fame. Ralph, who recently turned ninety-eight years old in August, should be celebrated and honored for his bravery and sacrifice.

Ralph fought in the European Campaign as a B-24 Liberator heavy bomber aerial gunner from 1941 to 1945. He helped in the efforts to liberate France and Europe during that time. He was also a member of the 15th Air Force's 450th Bombardment Group, in the 723rd Bombardment Squadron. The unit was involved in missions over France, Austria, Germany, the Balkans and Greece.

Ralph is currently the oldest living member of the Seneca Nation. He is a member of the Snipe Clan, and served five terms as Tribal Councilor, as well as tenures as Peacemaker and Seneca Nation Surrogate Judge. He also served as Seneca Nation Marshal and pastor for the Red House Baptist Church.

In 2019, Ralph was presented with the French Legion of Honor for his military service during World War II. He is the first Seneca and second Native American to receive the appointment of Knight in the Order of the Legion of Honor.

Ralph's service to our nation during a time of great need is something that should be revered and remembered. We cannot forget the great personal risk and dedication he showed during his service. Today, we stand and honor his service and sacrifice. Today, we recognize Ralph, for his courage, resolve and bravery—and I thank him for all that he has done.

Given the above, I ask that this Legislative Body pause in its deliberations and join me to honor Sergeant Ralph Elliot Bowen, the last surviving World War II veteran from the Seneca Nation's Allegany Territory.

her on her retirement following decades of service to Fairfax City and our Northern Virginia community.

As Chairman of the Fairfax City Independence Day Celebration Committee, Beverly has donated her time, skills, and talent with faithful displays of leadership and commitment. Fairfax City's Independence Day Celebration continues to be one of the biggest and best celebrations of our nation's birthday in the Commonwealth of Virginia. Its signature event, the Independence Day Parade, attracts participants and spectators from throughout the region and is an event that I have had the privilege of participating in for years. Every year the parade has continued to grow and flourish, and due to Beverly's efforts, all who attend are guaranteed to have a wonderful time.

Beverly has also dedicated her time serving as Chairman of the Chocolate Lovers Festival Committee. Her leaderships with this festival, another event that I have enjoyed attending over the years, has helped increase the festival's popularity and attendance. Because of Beverly's tireless work behind these events, the City of Fairfax benefited tremendously in reputation, city visits, and economic gain.

Through Beverly's work, she has brought together the community and enhanced volunteerism. Because of her selfless dedication, she has received several community honors and awards recognizing her efforts. I often say that the health and happiness of a community can be measured in part by the spirit of community and volunteerism that exists. Beverly embodies this spirit of service and we have all benefited from her service.

Madam Speaker, I ask my colleagues to join me in honoring Beverly Myers and in thanking her for her years of selfless service to our community. As Beverly retires and returns home to Missouri, we wish her continued health, happiness, and success.

NORTH AMERICAN WETLANDS CONSERVATION EXTENSION ACT

SPEECH OF

HON. ANNA G. ESHOO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 1, 2020

Ms. ESHOO. Mr. Speaker, over four months ago, the House passed the Heroes Act to support our nation's heroes and everyday Americans to meet the challenges of the COVID-19 pandemic.

Unfortunately, the Senate has refused to take up this vital legislation, and many senators seem to believe that Congress has already done enough. The truth is that the needs of our country have only increased. Today 13.6 million Americans are unemployed and 200,000 Americans have died from COVID-19, with cases rising again around the country.

The House is serious about providing relief to Americans and reaching a compromise with the Senate and the White House which is why

today's Heroes Act is \$1.2 trillion less than the original bill we passed in March. Although smaller, today's bill still meets the needs of the American people by putting money in their pockets to strengthen our economy and providing the resources we need to crush the virus. Specifically, the updated Heroes Act includes the following:

An additional \$600 per week in Unemployment Insurance through January 2021;

A second round of \$1,200 checks to most taxpayers and \$500 for their dependents;

\$75 billion for testing, tracing, and treatment to get COVID-19 under control;

\$436 billion to state and local governments who employ heroes like first responders and health care workers who are at risk of losing their jobs;

\$225 billion for K to 12 school, colleges, and universities to address the challenges of distance learning in the new school year;

\$71 billion for renters and homeowners to ensure they don't lose their housing during the pandemic;

Over \$15 billion for connectivity, including \$12 billion to close the homework gap, \$3 billion to keep low-income Americans connected, and \$200 million for telehealth.

The new Heroes Act is proof that the House is willing to compromise in order to deliver desperately needed relief to the American people. It's time for the Senate and the White House to meet us halfway so we can protect American lives and livelihoods.

Mr. CARTER of Georgia. Madam Speaker, I rise today in remembrance of a true health care hero, Dr. James "Jim" Walter Bartling, who passed away on September 24 at the age of 70.

Jim dedicated his life to being an amazing son, brother, husband, father, teacher, counselor, pharmacist, and friend.

His life was marked by his contributions to the practice of pharmacy as soon as he graduated from Mercer University Southern School of Pharmacy with a Bachelor of Science degree in Pharmacy, as well as a Doctorate in Pharmacy degree.

Jim practiced at Doctors Memorial Hospital in Atlanta before being named Director of Admissions, Job Placement, and Continuing Education at Mercer University, and eventually became the Dean for Student Affairs and Admissions and served in that role for 38 years until he retired in 2016.

He was also committed to counseling and supporting pharmacists, student pharmacists, and pharmacy technicians with substance abuse disorders.

As a pharmacist myself, I am immensely grateful for the work he did to leave a lasting impact on the pharmacy profession and the countless lives he touched.

His legacy will surely continue for many years to come.

Mrs. DINGELL. Madam Speaker, I rise today to recognize and honor the esteemed life of the late Hajj Mohamad Kamal Mehanna (Abu Imad). He will forever be remembered for his tremendous service to our community, and he will be deeply missed.

Hajj Abu Imad was a true embodiment of the American dream. He was a founder and board member of the Islamic Institute of Knowledge, an organization that strives to support the spiritual, informational, educational, and social needs of Michigan's Islamic community. Hajj Abu Imad committed himself to furthering the vision and mission of the Islamic Institute of Knowledge, and he served as the Chairman for the Public Relations Committee for many years. Even after immigrating to the United States, Hajj Abu Imad remained faithful to honoring his heritage and supporting Lebanon. He made several trips to Lebanon to meet with the President and Prime Minister to discuss ways to promote progress and meet the evolving needs of the Lebanese community.

Throughout Michigan, Hajj Abu Imad was recognized as a humble, kind, and dapper

He valued friendships and sought to develop deep, lasting, and meaningful relationships with others. He was a member in a social group known as "Khalan Al-Wafa," where he endeavored to make connections, discuss issues, and foster a deep sense of community and unity. Most importantly of all, Hajj Abu Imad was devoted to his family. He married his wife Hajjah Aziza Anani in 1967, and the two shared a fruitful and prosperous marriage of 53 years. Together, they raised a beautiful family. At his death, Hajj Abu Imad was the beloved patriarch of seven children and fourteen grandchildren. He will be missed by all, but his memory will endure through the countless lives he touched.

Madam Speaker, I ask my colleagues to join me in honoring the life and legacy of the late Hajj Mohamad Kamal Mehanna (Abu Imad). His passing is a loss to our entire community. May he rest in eternal peace.

HONORING THE 100TH ANNIVERSARY OF PARKER-GRAY HIGH SCHOOL

HON. DONALD S. BEYER, JR.

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Mr. BEYER. Madam Speaker, it is with great pleasure that I recognize the 100th anniversary of the Parker-Gray High School in the City of Alexandria, Virginia.

Parker-Gray High School opened in September of 1920 and provided countless African American students with a comprehensive education during a time of segregation. Though faced with adversity—lack of resources, teachers, and facilities—Parker-Gray was able to provide students with what is now understood as a fundamental right.

The alumnae of Parker-Gray took their education and were able to apply it to not only the City of Alexandria, but to all aspects of their lives.

Please join me in honoring the 100th anniversary of Parker-Gray High School. It is important that we continue its mission and ensure the Parker-Gray legacy lives on.

HONORING THE LIFE OF ANTHONY "TONY" ETCHISON

HON. SUSAN W. BROOKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Mrs. BROOKS of Indiana. Madam Speaker, I rise today to honor the life and legacy of Tony Etchison, an Indiana basketball legend, accomplished farmer, and loving family man. Born on April 14, 1972, in Tipton, Indiana, Tony was a life-long Hoosier. He dedicated much of his life to athletics and giving back to the youth teams in Indiana's Fifth Congressional District. While we mourn Tony's unexpected death, we are forever grateful for his endless victories and accomplishments, both on and off the basketball court.

Tony graduated from Noblesville High School in 1991 where he began his standout career in basketball. As a four-year letter winner and leader of three consecutive sectional championship teams for Noblesville, Tony was chosen as the County Player of the Year for two seasons and was named All-Hamilton County four times. His countless accomplishments in high school led to a scholarship opportunity at Mercer University in Georgia where he continued his athletic career as a star basketball player.

He led his team in the Trans American Conference in three-point shooting during his four-year collegiate career. Tony made Mercer University history by being the first player to earn Trans American All-Academic Team honors all four years he played. He completed his education and graduated in 1995, from Mercer's Stetson School of Business & Economics with a Bachelors of Arts in Business Administration and Finance. After completing his education Tony returned home and began work for the family business, Etchison Farms. It was also during this time in Tony's life that he began a twenty-two year career as an agent for Indiana Farm Bureau Insurance, serving many families in the Fifth District.

As an adult, Tony's earlier athletic accomplishments did not go unnoticed. In 2009, he was inducted into the Hamilton County Basketball Hall of Fame. Later in 2016, he was inducted into the Noblesville High School Athletic Hall of Fame and honored by the Indiana Basketball Hall of Fame by being selected to be a teammate on their 2016 Silver Anniversary Team. In July of 2019, Tony was elected as a director of the Indiana Basketball Hall of Fame. In addition to his basketball career, Tony loved to coach youth sports in the area.

Tony's proudest role in life was being a husband and father. Tony and his wife, Toby, were blessed with three sons: John Phillip or "JP", a freshman at Indiana University, Gus, a junior at Hamilton Heights High School, and Tillman, an 8th grader at Hamilton Heights Middle School. One of Tony's greatest joys in life was having the opportunity to share with his sons his love of all sports, and the joy of competition.

Tony died tragically on October 23, 2019, on the family farm in Arcadia, Indiana. Tony will be forever missed by his family, friends, colleagues, and the entire Indiana basketball community. On behalf of Indiana's Fifth Congressional District, I extend my deepest condolences to Tony's wife, Toby, their three sons, the entire Etchison family, and their friends, who mourn his passing.

RECOGNIZING GARLAND JAMES' 99TH BIRTHDAY

HON. PAUL A. GOSAR

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Mr. GOSAR. Madam Speaker, I am here today to recognize the 99th birthday of my constituent, Garland James, on October 3rd, who is turning 99 years young. An active member of the Arizona community, Garland is a veteran, loving husband and father, and business owner whose life is symbolic of the American dream promised to all.

A member of the greatest generation, Garland arrived in Europe in 1944 in our great struggle against fascism. Landing at Normandy and serving through France, Germany, and Central Europe, Garland was a light truck driver, retrieving young Americans who had fallen on the battlefield.

Returning from the war in 1945, Garland met his wife Mary while working as a truck driver across the Eastern part of the U.S. Their new family moved out West, and over the course of the following decades, Garland would find success in the tire industry, opening a series of stores in Arizona and California. In fact, his stores in Apache Junction and Tuba City still stand today, with the Apache Junction store remaining in the family, managed and owned by his son.

Madam Speaker, it is a great honor to represent Garland James, a true patriot and shining example of a good man, father, and citizen. I urge all my colleagues to join me in wishing Garland a very happy 99th birthday, to thank him for his service to this great nation, and to wish him well as we wait for this time next year to share in his 100th birthday celebration.

RECOGNIZING YOUNG ARTISTS OF FLORIDA'S EIGHTH CONGRESSIONAL DISTRICT

HON. BILL POSEY

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Mr. POSEY. Madam Speaker, creativity often spearheads innovation, paving the way for our Nation's future.

As such, I want to take a moment to recognize the talented young artists of Florida's Eighth Congressional District who competed in

RECOGNIZING THE EARLY DEER PARK SETTLERS TEXAS HISTORICAL MONUMENT DEDICATION

HON. BRIAN BABIN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Mr. BABIN. Madam Speaker, I rise today to recognize the dedication of the Deer Park Early Settlers Texas State Historical Marker in Deer Park, Harris County, Texas. The text of marker reads as follows:

In 1928, Shell Oil Company purchased land in Deer Park, Texas for a new petrochemical refinery. Surveyors discovered a marble headstone broken into four pieces. Shell reassembled the headstone and maintained the area as an actual gravesite. In 1976, Shell was given permission from the Texas Historical Commission, as well as the Harris County attorney and Harris County judge to relocate the marker and disinter any remains. In March of 1977, the marble headstone and a small cement casket, from the original site, were moved to Dow Park in the City of Deer Park.

The inscription on the headstone gave the name of two siblings, Mary W. Jackson and William Wilson. These early settlers died in 1834. William Wilson purchased land in the early 1830's and built a cabin on the bank of the Buffalo Bayou with his wife and children. This was adjacent to what became the site of the Battle of San Jacinto that secured Texas' independence from Mexico in 1836. William Wilson also owned land near the settlement of Crosby. Humphrey Jackson, one of the "Old 300" settlers, owned land near the Wilson property in Crosby. It was presumed that Mary W. Jackson was somehow associated with Humphrey, based on a judgement

recorded in Harris County records in 1852. This could explain why Mary Wilson became Mary W. Jackson.

The 186-year-old headstone is one of the oldest marked headstones in Harris County and Deer Park's oldest artifact. The historical marker reflects the history of Deer Park, as well as the history of Texas. The historical marker presents a glimpse of ordinary people in Texas in the 1830's and commemorates these early Deer Park settlers.

As a former member of the Texas Historical Commission, I know that this is a great honor for the community. I wish all of my friends in Deer Park well as they celebrate the dedication on October 20th.

HONORING DR. BETTINA "TINA" ATKINS

HON. VICENTE GONZALEZ

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Mr. GONZALEZ of Texas. Madam Speaker, I rise today to honor Dr. Bettina "Tina" Atkins, a pioneer in education who passed away on Saturday, August 22, 2020, at the age of 61.

Dr. Bettina "Tina" Atkins was born in Des Moines, Iowa, later moving to South Texas as a teenager. She graduated from McAllen High School in 1977 and earned a Bachelor of Arts Degree with Honors in Communication from the University of Texas, Pan American (UTPA) in 1981, now the University of Texas Rio Grande Valley (UTRGV).

Dr. Atkins went on to earn a Masters Degree in Educational Leadership at UTPA in 1993 and a Ph.D. in Organization Leadership from Our Lady of the Lake University in 2015. She shared her love of and commitment to lifelong learning with thousands of children in South Texas.

Dr. Atkins' dedication to educational equality made her one of the most influential women in South Texas in the field of higher education. Dr. Atkins spent 24 years with Region One, an organization that assists school districts improve student performance and implement initiatives assigned by the state legislature or education commissioner. During her tenure with Region One, Dr. Atkins helped bring the first GEAR-UP grant to South Texas in 1999. These grants are designed to provide more low-income students with the tools and resources needed to succeed in postsecondary education.

Eventually, Dr. Atkins became the Director of several GEAR-UP grants, helping over 25,000 students and their families reach postsecondary education, changing their lives forever. Dr. Atkins also helped launch Project Heal2, which supports students who are interested in pursuing a nursing degree in high school through college. Dr. Atkins' accomplishments do not stop there, but I would like to take a moment to talk about her love for her family.

Dr. Atkins achieved all these incredible feats while being the "happy coordinator" for her family and her friends. She was a proud sister, aunt, and daughter. She emanated joy and positive energy everywhere she went.

Madam Speaker, Dr. Bettina "Tina" Atkins was an incredible leader and a shining light for South Texas. Her accomplishments will certainly be remembered for generations to

come. I stand here today to thank Dr. Atkins for her contributions to the world, and I wish her family peace during these difficult times. She will be greatly missed.

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Mr. CARTER of Georgia. Madam Speaker, I rise today to congratulate Holley Dean of Savannah, Georgia, for being named to Forbes' America's Top Women Wealth Advisors List for 2020.

Ms. Dean is remarkably one of ten women who were selected from a pool of 32,000 nominations.

Top advisors across the country were nominated by their firms and then researched, interviewed, and assigned a ranking within their respective states.

Service models, investing process, client retention, experience levels, review of compliance records, and firm nominations are some of many factors considered.

The decision is also based on quantitative criteria, such as assets under management and revenue generated for their firms.

Holley currently serves as a financial advisor for Stifel, which is a diversified global wealth management and investment banking company.

Her hard work and dedication throughout the years has clearly paid off, and she deserves to be honored and celebrated for this amazing accomplishment.

I wish her the best of luck in the years to come.

RECOGNIZING THE 50TH ANNIVERSARY OF THE MIDDLEIDGE COMMUNITY OF FAIRFAX COUNTY

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Mr. CONNOLLY. Madam Speaker, I rise to recognize the 50th anniversary of the Middleridge community.

Located in the heart of Fairfax County and the 11th Congressional District of Virginia, Middleridge is a tight-knit community and the land on which it is built is steeped in history. The very name of Middleridge was derived from a 1766 decision of the Vestry of Truro Parish, including George Washington and Colonel George William Fairfax, to establish the new Payne's Church at the "middle Ridge" of Ox Road.

On July 17, 1970 the grand opening of Section 1 Middleridge, consisting of 39 lots, was announced in The Evening Star. It was advertised by the developer as being in "the best of Virginian tradition." "Surrounded by the rich history of the county, its homes radiate with old charm and aristocratic character." Today the community consists of 578 homes situated on approximately ninety-five acres and boasts amenities including a lake, large park, basketball and tennis courts, and swimming pool.

The all-volunteer Middleridge Civic Association was formed in 1973. The civic association promotes an exceptionally strong sense of community that greets new residents with open arms, providing welcoming gifts to the newest neighbors. The Civic Association coordinates regular stream clean-ups and awards annual scholarships to high school seniors. Annual events include an Easter egg hunt, home and garden tours, Halloween parade, a holiday light decorating contest and community movie nights.

In 2002, Middleridge established a National Night Out celebration in partnership with the Fairfax County Police Department. Of the scores of NNO events held each year, the Middleridge National Night Out has been recognized as the largest event in the entire county—again a testament to the community spirit and activism of Middleridge residents.

As the former president of the Mantua civic association, I know firsthand that a community is more than houses in a development. In fact, the health and well-being of a region can be measured by the involvement of its citizens. When residents invest their time, care, and energies, a true community is created to the benefit of all. Fairfax County is considered one of the best places in the nation in which to live, work and raise a family, largely because of the willingness of so many to become actively involved. Middleridge Civic Association and the residents of this neighborhood provide an excellent example of how to create a thriving, energetic, and welcoming place to call home.

Madam Speaker, I ask my colleagues to join me in commemorating the 50th Anniversary of Middleridge and in thanking the residents and civic association members and officers for their contributions and service to our community.

W. REEDER, JR.

HON. ROBERT J. WITTMAN

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Mr. WITTMAN. Madam Speaker, it is with deep sadness but great respect that I take this time to remember Mr. Charles W. Reeder, Jr., who passed away on September 7, 2020, at the age of 69. Mr. Reeder's love for his family and dedication to his community is noteworthy and admirable. While he will be truly missed by his family and friends, the impact he has had on his community will live on for generations to come.

During 40 years of ministry, he served churches in Ohio, Illinois, Washington, and Colorado. He also taught classes at several college venues as well as prisons. Teaching and preaching were his passions, and he excelled at both. He had a love for theology and physics, remodeling and good music.

His life was filled with compassion, and he lived to serve the needs of others. His greatest loves, however, were his wife, Pat, his two daughters, and his three precious grandsons.

Therefore, Madam Speaker, I ask you to rise with me in honor of Mr. Charles Reeder, Jr. He will be profoundly missed, but his memory lives on in his family.

CELEBRATING JUSTICE RUTH
BADER GINSBURG

HON. SUSAN A. DAVIS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Mrs. DAVIS of California. Madam Speaker, today we celebrate Ruth Bader Ginsburg. We remember her groundbreaking work and remarkable legacy. We owe our opportunity to be who we are to what she accomplished.

That's why we call her the Notorious RBG. Justice Ginsburg defied expectations. Despite her acumen and proven ability in the law, she was denied jobs for which she was well-qualified. She nonetheless pursued that career at a time when social norms kept women at home and discouraged them from working.

Justice Ginsburg showed up for a generation of women and men. Equality drove her work.

Her vision and imagination demanded that she not allow an individual's dreams be short-changed by institutional inequality.

When people are held back by unjust laws, they cannot flourish and thrive. She felt that in her bones, and she strove to fix it.

As a Jewish woman, I feel a strong sense of identity with her. She was grounded in the teaching of Tikkun Olum—to repair the world and the Torah's admonition that one doesn't have to complete the work but cannot desist trying.

Now, there will be not just a void with her passing, but a chasm as our role model—our champion of liberty, equality, and democracy.

So we and future generations must pick up the torch and continue her fight.

HONORING MOHANDAS
KARAMCHAND GANDHI

HON. GEORGE HOLDING

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Mr. HOLDING. Madam Speaker, I rise today to honor the life and legacy of Mahatma Gandhi, one of the most influential men of the modern world. As we celebrate the close of the 150th anniversary of Gandhi's birth, it is important to remember that his legacy is born out every day in the lives of billions of people who live the way they do because of his selfless work.

His teachings of non-violence have impacted the entire world; and his promotion of racial, social, and political equality will continue to touch the global community as we work towards a brighter, freer future.

It is vital that we continue to embody Gandhi's perseverance and non-violent ways as we work to make the world a better place. Today, we honor his legacy and the power that an individual man had to change the world. 151 years ago, Gandhi was born an ordinary man. Today, he is a worldwide symbol of peace and civil disobedience. May he con-

tinue to rest in peace, and may his legacy prevail eternally.

MALCOM BLAIR "MAL" WHITE

Mr. CARTER of Georgia. Madam Speaker, I rise today in remembrance of Mr. Malcom Blair "Mal" White of Metter, Georgia, who passed away on September 21st.

Mal was a beloved son, husband, father, grandfather, leader, and friend.

He led all teams to numerous victories.

I am thankful for the lasting impact Mal made on his community, and I know his legacy will continue at Savannah Country Day School for years to come.

My thoughts and prayers go out to his family, friends, and the countless students, parents, and teachers' lives he touched.

TRIBUTE TO BABA SHEIKH

HON. JEFF FORTENBERRY

OF NEBRASKA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Mr. FORTENBERRY. Madam Speaker, I want to express my heartfelt condolences to the Yazidi community around the world and in my hometown of Lincoln, Nebraska on the loss of spiritual leader Baba Sheikh.

In August 2014, ISIS launched a genocidal campaign against the Yazidi people in Iraq, killing and brutalizing thousands. Five years later, hundreds of thousands of Yazidis are still displaced in refugee camps in their own country. Throughout all this terror and diabolical suffering, the spiritual leader of the Yazidi people, Baba Sheikh, stood steady as a great source of comfort, love, and inspiration.

Madam Speaker, it's not widely known, but two years ago, at the behest of Vice President Pence, I traveled to Northern Iraq to assess the situation faced by religious minority communities after the ISIS genocide. It was my privilege to meet with Baba Sheikh. Together we met with the Yazidi women who had been enslaved by ISIS. I will never forget his gentleness, kindness, and eagerness to be with us even amidst all the suffering.

May he rest in peace.

REMEMBERING THE LIFE OF MR. JERRY KANE

HON. MICHAEL CLOUD

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Mr. CLOUD. Madam Speaker, I rise today to honor the memory of Mr. Jerry Kane, a giant in the Corpus Christi community, who passed away on September 24th, 2020. A prominent businessman, public servant, and family man, Jerry was well-known and well-loved in our part of Texas. His family emigrated here after World War II from Czechoslovakia, where his parents survived the Holocaust and fought for the freedom of their people.

Jerry spent many years in the family meat-packing business, and during his time as President and CEO, he moved the company forward through innovation and pioneering new technologies. He was also a tremendous public servant for both the city of Corpus Christi and the state of Texas, serving on the Regional Water Task Force, the Governors Committee for Disaster Recovery and Renewal, and the Texas Board of Human Services.

Most importantly, Jerry was a devoted family man. He especially loved spending time with his grandchildren, and was known for being friendly, caring, and always helpful. I

offer my condolences to his family and friends as they grieve the loss of a great man. He will be fondly remembered by all.

CONGRESSIONAL COMMENDATION HONORING HISPANIC HERITAGE MONTH

HON. LUCY MCBATH

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Mrs. MCBATH. Madam Speaker, I rise today in honor of Hispanic Heritage Month. Every year from September 15 to October 15, the history and culture of Americans who are from or have ancestors from Spain, Mexico, the Caribbean, and Central and South America is recognized and celebrated. This observation was first established as Hispanic Heritage Week under President Lyndon Johnson in 1968 and President Ronald Reagan expanded the observance to a full month in 1988. This thirty-day period encapsulates many celebrations of independence for Latin American countries. September 15 is the anniversary of independence for Costa Rica, El Salvador, Guatemala, Honduras, and Nicaragua. Mexico and Chile also celebrate their independence days on September 16 and September 18.

Our great nation would not be the same without the profound influence of Hispanic Americans across the country. Men and women from numerous countries have come to the United States in search of a better life for themselves and their families. In turn, their contributions have brought new ideas, new cuisines, new cultures to us all, and their presence here has created a more prosperous nation for all Americans. Guided by the promise of freedom and the chance to participate in the unique American experiment in democracy, some of these individuals arrived with nothing but the clothes on their back and the hope of a better tomorrow. Hispanic Americans have had influence on practically every part of American history, from politics to sports to sciences. Every day I am proud of their countless contributions to our country's story, and I would like to take this month to honor the crucial role that Hispanic Americans play in our society, and in Georgia's Sixth Congressional District in particular.

The Hispanic community in Georgia is vibrant and continues to grow significantly. I am proud to stand up and fight for the men and women who have contributed so much to our communities each day. Hispanic Americans help contribute to what makes this nation remarkable, and I am honored to lift up the voices of those who have selflessly dedicated their lives to building up themselves, their community, and this country. During these unprecedented times, we must work harder than ever to respect and encourage the diversity of our nation. I am routinely impressed by spirit of service and leadership displayed by Hispanic Americans in my district who work hard to give back to their own communities. Their work should be recognized every day, but particularly during Hispanic Heritage month. Therefore, I am honored to highlight three professionals who deserve special recognition: Gilda "Gigi" Pedraza, Santiago Marquez, and Vanessa Kosky.

Gilda "Gigi" Pedraza and her team at the Latino Community Fund—Georgia (LCF Geor-

gia) as they advocate for the Latino community, work to increase civic participation, provide immediate relief to the most vulnerable communities and build grassroots organizations. Gigi has over 20 years of experience working for both nonprofit and for-profit spaces as a social entrepreneur. In 2018, she was the recipient of the NFL Hispanic Heritage Leadership award and was recognized as a Woman of Inspiration by the Atlanta Dream. In the same year, she was named one of the 50 Most Influential Latinos in Georgia. Gigi has participated on numerous boards including the Center for Pan-Asian Community Services and the Feminist Health Center. She is also a member of the ARC Global Voices Panel. Additionally, Gigi was the Georgia Awardee of the TUMI USA Entrepreneur Award, which recognizes Peruvian immigrants for their civic contributions. Gigi's roots are from Lima, Peru and she currently resides in Atlanta, Georgia.

Santiago Marquez is the CEO of the Latin American Association (LAA). Marquez has held many impressive positions, including the Director of Employment and Housing for the Latin American Association, which was the first housing department to focus on Hispanics in Atlanta. He was also the Director of Latino Outreach at the Boys and Girls Clubs of America. He began working with the Georgia Hispanic Chamber of Commerce in 2008 and has since served as President and CEO. In 2014, Santiago received an award from the National Diversity Council. He has served on multiple boards across Atlanta, including the Aurora Theatre and the WellStar Atlanta Community Board. He is also an alumnus of Leadership Atlanta and the Buckhead Business Leadership Class. Santiago was born in Cuba but now lives in Atlanta with his wife and two daughters.

Vanessa Kosky was just recently appointed to be an associate judge of the city of Doraville, and she will be the city's first Latina judge. A graduate of John Marshall Law School, she was admitted to the State Bar of Georgia in October of 2007. She is also a member of the Georgia Association of Criminal Defense Lawyers, the National Association of Criminal Defense Lawyers, and the American Immigration Lawyer Association. Vanessa has worked as the owner of her general practice law firm for criminal defense, family law, and immigration defense since 2009. She was a recognized mentor in the Georgia State Bar's Transition into the Practice of Law Program for many years and has been recognized for her work by the Atlanta Legal Aid Society and the Gwinnett Pro Bono Project. During her many years practicing the law, she has also participated in several teaching engagements in both English and Spanish language courses. Vanessa lives in Tucker and continues to represent and speak up for people in her community every day.

It is my distinct honor and privilege to recognize three of the many Hispanic Americans who work hard every day to make a difference in the lives of others in Georgia's Sixth Congressional District. As we continue to celebrate the observation of Hispanic Heritage Month, may we recommit to the spirit of service demonstrated by these individuals and the many others whose stories have yet to be told. On behalf of myself, the Sixth Congressional District of Georgia, and the United States House of Representatives, I am proud to join in the celebration of Hispanic Heritage

Month. In telling the stories of community members like Gigi, Santiago, and Vanessa, we celebrate the power of our Hispanic community in Georgia. As a representative of our state, I will continue to champion their values of strength, service, and patriotism every day.

HONORING JONATHAN "J.T." TENNANT

HON. EARL L. "BUDDY" CARTER

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Mr. CARTER of Georgia. Madam Speaker, I rise today to honor 20-year veteran harbor pilot Jonathan "J.T." Tennant of Brunswick, Georgia, who played a pivotal role in ensuring the safety of all crewmembers aboard the *Golden Ray* carrier when it shipwrecked over a year ago on September 8, 2019.

If you visit St. Simons Island in Georgia's First District, it's hard to miss the *Golden Ray*, which is a 656-foot-long car carrier that remains capsized on the St. Simons Sound.

As the investigation into the incident by the U.S. Coast Guard and the National Transportation Safety Board continues, we've been able to gain valuable insight from crewmembers and others involved.

Although he had steered a city block-sized cargo ship from the Brunswick River to the St. Simons Sound several thousand times, nothing could have prepared J.T. for what happened the morning of September 8. The *Golden Ray* was sailing normally, but the rudder and the propeller came up out of the water to where J.T. had no operational control of the vessel and it started capsizing rapidly.

He endured flames melting the steel and smoke emanating airboxes the entire length of the ship. A testament to his extensive experience piloting more than 5,000 ships in and out of the Port of Brunswick, J.T. drove the *Golden Ray* as far up on the Sound as possible that day to ensure all 23 mariners aboard were saved and rescued.

When you see the giant cargo ship in the sound and realize there was no loss of life, it is nothing short of a miracle and a testament to the hard-working crew—including J.T.

Although it is an unfortunate situation, I am thankful for the courage and determination J.T. and the entire crew displayed that day.

HONORING THE 75TH ANNIVERSARY OF NORTH OAKLAND VFW POST 334

HON. ELISSA SLOTKIN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Ms. SLOTKIN. Madam Speaker, today, I rise to celebrate the 75th anniversary of VFW Post 334 in Oxford, Michigan.

Since its founding, VFW Post 334 has served the local community in Oxford. Whether it's their shelf at the Oxford/Orion FISH food pantry, a float in the annual Christmas parade, or maintaining the local veterans' memorial, Oxford residents can count on VFW Post 334 to show up and care.

VFW Post 334 is committed to making a difference in the lives of veterans who answered the call to serve. By praying for those deployed, supporting their families at home, and honoring those who are no longer with us, VFW members strengthen the bonds that connect them back to their service.

For its work, VFW Post 334 was recognized in 2019 as a Michigan All-State Post for the third year in a row.

Most recently, it was awarded the Diamond Jubilee Award, given to VFW Chapters that have demonstrated exceptional service for three-quarters of a century.

In closing, I want to thank Quartermaster Chuck Haskin, Senior Vice Commander Randy Stetson, and Post Commander Jim Hubbard for their leadership and service to the North Oakland community.

The spirit of VFW Post 334 can be found in the closing words of the Commander's message on their web page: "We honor the dead by helping the living."

I congratulate VFW Post 334 on a successful 75 years and wish them all the best in the next 75 years to come.

HONORING THE LIFE AND LEGACY OF GOLF LEGEND, PETE DYE

HON. SUSAN W. BROOKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Mrs. BROOKS of Indiana. Madam Speaker, I rise today to honor the life and legacy of legendary golf course designer Pete Dye. Pete, along with his wife Alice, spent a career designing some of the most difficult and well-known golf courses across this country and the world. This included Crooked Stick Golf Club in Carmel, Indiana, where they had a home on the 18th hole. The Fifth District, the State of Indiana and golfers across the nation join his family and friends to mourn the loss of Pete Dye.

Pete Dye grew up in Urbana, Ohio, and learned to play golf on a nine-hole course, Urbana Country Club, that his father, Paul Dye—a bar owner, insurance agent and postmaster—built after becoming obsessed with the game. Dye went on to become a high school state champion in Ohio and the Indiana State Amateur champion in 1958. He competed in six U.S. Amateurs and even in the 1957 U.S. Open. Along with being a talented golfer, Dye became a successful life insurance salesman however, both his and Alice's passion for golf led them to golf course design. Their first course, the nine hole El Dorado course, was built south of Indianapolis.

Dye went on to design courses in dozens of states across the country and in a dozen foreign countries. Many of his courses have been home to multiple PGA Tour events with some of the best players in the world trying to figure out the difficult slopes, sand traps and greens. Dye was responsible for the design of The Stadium Course at TPC Sawgrass in Florida, home of the iconic "island green" on the 17th hole and is one of the most famous of his designs. Dye is well known and respected throughout the entire golf community, from recreational golfers to the world's best which landed him multiple honors and awards.

Dye received the Donald Ross Award from the American Society of Golf Course Architects in 1995; the 2003 Old Tom Morris Award from the Golf Course Superintendents Association of America; 2004 Distinguished Service Award from the PGA of America; and 2005 PGA TOUR Lifetime Achievement Award. In 2008, Pete Dye became just the fifth golf architect to be inducted into the World Golf Hall of Fame.

Along with his world-renowned golf courses and talent for the game of golf, Pete was also a loving husband and father. Alice, his wife and design partner of 68 years preceded him in death. He is survived by his two sons both of whom carry on the golf course design legacy: Perry and his wife Ann and P.B. and his wife Jean. He is also survived by two grandchildren and two great-grandchildren. On behalf of the Fifth District I extend my deepest condolences to the Dye family. The people of Indiana and golfers throughout the entire world will miss Pete, but his courses and legacy will live on.

TRIBUTE TO JAI RAJAGOPAL

HON. JOE NEGUSE

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Mr. NEGUSE. Madam Speaker, I rise today for Jai Rajagopal, a beloved son, brother, friend, and organizer who is lost to us far soon. On behalf of so many who loved Jai, I stand here to mourn.

Jai was not your ordinary young person, nor community member: he was outstanding in everything he did. When he was only-just old enough to vote, Jai dedicated himself to civic engagement, beginning with that time honored tradition of progress in our nation: voter registration. When he was 19, he worked on my campaign for Congress, where he was adored by and inspiring to every member of that team, myself included. I am a member of Congress today, because of Jai.

Ever since, Jai worked ceaselessly for candidates, for causes, for the Colorado state legislature, even running for office himself. He was seemingly never short of energy for the things he believed in. His impacts on our community will be felt for years to come.

And, let me tell you, to see Jai's passion for our nation's progress, in engaging other young folks in the democracy his generation is inheriting, it was literally awe-inspiring. He was brilliant, full-hearted, and courageous, and it was an honor to know him.

Through endless willpower and dedication, Jai moved mountains, motivated through the assured belief that people were always, always worth fighting for.

I count myself incredibly lucky to have known Jai. I share my deepest condolences with Jai's mother and brother, to whom he always credited his intelligence and motivation: my thoughts and prayers are with you.

To all that are mourning Jai, let his memory be your motivation in the continued fight for justice.

Rest peacefully, my brother.

PERSONAL EXPLANATION

HON. GREG PENCE

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Mr. PENCE. Madam Speaker, on Friday, October 2, 2020, I was not recorded for roll call vote 217 and 218. Had I been present, I would have voted NAY on the Adoption of H. Res. 1153, Condemning unwanted, unnecessary medical procedures on individuals without their full, informed consent and YEA on the Adoption of H. Res. 1154, Condemning QAnon and rejecting the conspiracy theory it promotes.

I strongly condemn the performance of medical procedures without informed consent. If true, these heinous acts deserve swift and appropriate punishment. The allegations raised in this resolution, however, remain unconfirmed as investigations by the Inspector General at the Department of Homeland Security are still underway. I cannot support this resolution that assumes the facts are true prior to the outcome of complete investigations. Furthermore, as a man of faith, I am unapologetically pro-life and cannot support this resolution that implicitly supports abortion. We must always stand for life and protect the most vulnerable around us.

While I support H. Res. 1154, I am disheartened to see the Majority refuse to name similar leftwing groups, like Antifa, as a part of the problem. I fully denounce all such groups and their destruction of public and private property in our communities.

HUGH PENDLETON NUNNALLY, JR.

HON. EARL L. "BUDDY" CARTER

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Mr. CARTER of Georgia. Madam Speaker, I rise today in remembrance of Hugh Pendleton Nunnally, Jr. who was a pillar in the Golden Isles community.

Hugh was born and raised in Atlanta and graduated from Georgia Tech with a degree in agriculture.

After graduating, he was fortunate enough to be mentored by Malon Courts of the Courts & Co. and became a broker within 2 years.

In 1955, he was drafted into the Army and finished his service in 1957 as a sergeant.

Following Hugh's time in the Army, he became a founding partner in the brokerage firm, Budd & Co., and then a founding partner of Presidential Financial Co.

After the death of his precious wife, Miriam, he was devoted to many philanthropic efforts, including the Southeast Georgia Health System, the Nunnally House, the College of Coastal Georgia, The Humane Society of South Coastal Georgia, and Hospice of the Golden Isles.

Hugh will always be remembered for his enduring smile, compassion, and selflessness.

My thoughts and prayers are with all who knew and loved him during this most difficult time.

RECOGNITION OF THE SERVICE
AND LEGACY OF JUSTICE RUTH
BADER GINSBURG**HON. ANDRÉ CARSON**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Mr. CARSON of Indiana. Madam Speaker, I rise today to join my colleagues in recognizing the lifetime of service and the legacy of Justice Ruth Bader Ginsburg.

"Fight for the things that you care about, but do it in a way that will lead others to join you." This insight came from the late Honorable Ruth Bader Ginsburg and has never been more applicable than today. The Notorious RBG was a fighter for all and a defender of rights until the very end, showing us all the true definition of what it means to be a great leader. Throughout her career she fought to extend fairness and protections for countless marginalized groups in this country.

As a father to young girl and a passionate defender of women's rights, I stand before you to reflect on the legacy that Justice Ginsburg has left on all generations today, and in the years to come. In 1993, Justice Ginsburg was appointed to the Supreme Court with unanimous support from the Senate and became only the second woman ever to serve on the highest court in our land. She brought both passion and brilliance to her decisions, always with the best interests of Americans on her mind while upholding our Constitution.

We have a duty to honor Justice Ginsburg by continuing her fight to advance the progress she tirelessly worked for during her entire career. In a time when my constituents and fellow Americans are urgently voicing their need for unity and fairness, we must demand the very things Justice Ginsburg fought for so fiercely: equal health care, reproductive rights, equal rights, LGBTQ rights, workers' rights, voting rights, civil rights, and much more.

So much is at stake with the Supreme Court vacancy her passing has created. The Supreme Court is already scheduled to hear arguments the week after the election on the Trump Administration's reckless push to destroy the Affordable Care Act (ACA). That means, in the middle of this unprecedented COVID-19 pandemic, which has killed more than 200,000 Americans, the President and his allies are trying to pack the Supreme Court to take away the health care of millions of Americans. This president has promised that his Supreme Court nominee will dismantle the ACA, so we must take him at his word.

President Trump and Senate Republicans are ignoring the dying wishes of Justice Ginsburg, the opinion of most Americans, and years of precedent in a desperate bid to pack the courts to rubberstamp their reckless agenda. This is an insult to our Democracy and a threat to every American. There should be no consideration of a replacement for Justice Ginsburg before the next president is sworn in.

We must act now, after Justice Ginsburg's passing, but before a new justice is appointed to roll back her legacy and our rights. We must take our shared grief and use it as turning point, drawing on her example as a courageous inspiration for us to all rise up and make her proud. We must fight for the rights of those who have been ignored or forgotten

for too long. Justice Ginsburg fought and worked hard until the very end, showing us all that when love for Country and Constitution runs deep, there is no denying justice.

I urge my Senate Colleagues to honor both her and the American people's wishes.

RECOGNIZING OCTOBER AS NA-
TIONAL SPINE HEALTH AWARE-
NESS MONTH**HON. GERALD E. CONNOLLY**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Mr. CONNOLLY. Madam Speaker, I rise today to ask that my colleagues join me in recognizing October as National Spine Health Awareness Month. 100 million Americans, or about one third of the U.S. population, suffer from neck and back pain each year. Individuals with chronic back pain are four times more likely to suffer clinical depression. It is the number one non-cancer related reason for an opioid prescription in the U.S. It costs \$250 billion to the U.S. economy annually. Back pain is the number one cause of job-related disability in the U.S.

During the COVID-19 pandemic, many of us have been sitting more, eating more, moving less, and not exercising or visiting the gym, all of which contribute to bad backs and necks. Many Americans working from home have reported experiencing more back pain, neck pain, and other musculoskeletal issues.

Located in my district in Reston, Virginia, the National Spine Health Foundation is a non-profit dedicated to improving spinal health care through education, research, and patient advocacy. Their medical research team conducts multi-center studies evaluating innovative approaches to treatments, including regenerative medicine, minimally invasive approaches, and non-opioid pain management. They educate Americans about treatment and prevention and support patients on their journey to good spinal health, striving to reduce the uncertainty and anxiety experienced by all those who suffer from neck and back disorders.

Madam Speaker, I ask that my colleagues join me in recognizing the importance of learning about good spinal health and in honoring those health care providers and organizations nationwide that help Americans reach that goal not just in October, but all year long.

HONORING THE MEMORY OF UN-
WAVERING ENVIRONMENTAL AD-
VOCATE W. KENT BAILEY

HON. KATHY CASTOR

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Ms. CASTOR of Florida. Madam Speaker, I rise today in tribute to the memory of an unwavering environmental advocate, W. Kent Bailey. On any decision or issue that touched the natural environment of our beautiful Tampa Bay and surrounding area, Mr. Bailey was always there—steadfast. He came armed with science-based facts with an eye to the future. He understood how to convey his message in unconventional ways to directly convey the urgency, such as carrying a cardboard wave cutout to show how high water might rise by the end of the century. Mr. Bailey was a leader and a supporter of all causes big and small that impacted our environment.

Born in Paris, Kentucky, Mr. Bailey moved to Tampa Bay in his early adulthood. By the time of his passing on Sept. 22, 2020 at age 69, he had spent more than 30 years in Florida. His love for sailing brought sea-level rise in Tampa Bay to his attention as he documented that the actual tide level was usually higher than the projected tide level. He became an expert on sea-level rise as well as outspoken about it to elected officials and its impact in the near future if left unabated. In 2010, after fighting for the preservation of nearly 13,000 acres of land in northeastern Hillsborough formerly known as Cone Ranch, he became a full-fledged member and leader of the Sierra Club, the largest grassroots environmental organization in the United States. Thanks to Mr. Bailey and the work of others, developers were forever blocked from acquiring Cone Ranch, which has become the largest undeveloped tract of land and has since been under restoration, slowly opening to the public for families and neighbors to enjoy for passive activities, such as hiking and horseback riding.

Mr. Bailey owned and operated Bailey & Son Woodworking since 1972 but his calling was all-things environment. Mr. Bailey served as chair of the Tampa Bay Sierra Club for the past eight years, engaging and mobilizing thousands of members to protect our region and state's fragile, sensitive environmental lands. He overwhelmingly poured his time and energy in deeply studying climate science and preparing for the next public presentation or protest about it, building his ethos and all for the purpose of sustaining a more prosperous and equitable future for his 22 grandchildren and ours. He was an inspirational speaker and motivator, always leading by example and always giving credit to others and being a cheerleader for their contributions. He developed a strategy of using all angles to fight for our environment and affect state policies to promote preservation, whether it was organizing protests, writing letters to the editor or creative antics, such as purchasing stock from the local power company, Emera Inc., and traveling from Florida to Nova Scotia so he can vote at the shareholders meeting and in protest of expansion plans of a cracked gas facility in Tampa Bay.

Mr. Bailey's legacy will live through his six children, grandchildren and wife, Cathy, who

stood by him in his activism. Madam Speaker, our grateful and saddened Tampa Bay community also pledges to carry forward the work of Mr. Bailey. His formidable efforts and selfless devotion to making Tampa Bay and the rest of the United States a better place to live are unmatched and are worthy of recognition. On behalf of my neighbors in Tampa Bay, Florida, and citizens across the United States, I am proud to honor W. Kent Bailey for his lifelong dedication to the protection of the environment. His legacy as a tireless advocate will live on and inspire others in the community for many years to come.

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Ms. JACKSON LEE. Madam Speaker, today I rise to join my colleagues during this Special Order to honor Supreme Court Justice Ruth Bader Ginsburg, who died on Friday, September 18, 2020 at the age of 87 years old.

As a direct beneficiary of her advancement of women's rights and a long-time admirer of her vigorous defense of the constitution, I am honored but heartbroken to pay tribute to Justice Ginsburg, an American hero, feminist icon, and role model to millions.

Today, tomorrow, and forever, the American people mourn the loss of a true titan, an American legend, and an inspiration.

Our thoughts and prayers are with Ruth's family, friends, and loved ones.

Ruth Bader Ginsburg dedicated her life to defending the Constitution and protecting the sanctity of America's democratic ideals, and we will forever be indebted to her service to this country.

Joan Ruth Bader, fondly nicknamed Kiki, was born on March 15, 1933 to an immigrant family and grew up in Brooklyn's Flatbush neighborhood.

Ruth Bader Ginsburg often spoke of her mother's large ambitions for her, and how the devastating loss of her mother's death at an early age instilled in her the determination to live a life that her mother would have been proud of.

And so, she did.

Ruth Bader attended Cornell University where she met Martin D. Ginsburg, her future husband and love of her life to whom she was married for 54 years.

At the age of 21, Ruth Bader graduated Phi Beta Kappa from Cornell with a Bachelor of Arts degree in Government on June 23, 1954 and was the highest-ranking female student in her graduating class.

A month after graduating from Cornell, Ruth and Martin were married and moved to Fort Sill, Oklahoma, where Martin was stationed as a Reserve Officers' Training Corps officer in the U.S. Army Reserve after his call-up to active duty.

To help support the family, Ruth Bader Ginsburg worked for the Social Security Administration office in Oklahoma, where she was demoted after becoming pregnant with her first child, Jane, who was born in 1955.

In the fall of 1956, Ruth Bader Ginsburg enrolled at Harvard Law School, where she was one of only 9 women in a class of about 500 men.

Harvard Law Dean Erwin Griswold reportedly invited all the female law students to dinner at his family home and asked the female law students, including Ginsburg, "Why are you at Harvard Law School, taking the place of a man?"

When her husband took a job in New York City, Ruth Bader Ginsburg transferred to Columbia Law School and became the first woman to be on two major law reviews: Harvard Law Review and Columbia Law Review.

In 1959, she earned her law degree at Columbia and tied for first in her class but despite these enviable credentials and distinguished record of excellence, no law firm in New York City would hire her as a lawyer because she was a woman.

Ruth Bader Ginsburg became a crusader for women's rights and an unstoppable force who transformed the law and defied social convention.

Her now infamous quote, "I ask no favor for my sex; all I ask of our brethren is that they take their feet off our necks", was a personal mantra for the Justice as it characterized her fight for and pursuit of equal rights throughout her lifetime.

Ruth Bader Ginsburg, later affectionately known as the 'Notorious RBG,' was as instrumental and historically significant to the cause of women's rights as was Thurgood Marshall to the cause of civil rights for African Americans.

As a young lawyer and Director of the Women's Rights Project of the American Civil Liberties Union, Ruth Bader Ginsburg litigated six landmark cases before the Supreme Court, winning five out of the six cases.

Like Justice Marshall, Ruth Bader Ginsburg's uncanny strategic instincts and careful selection of cases were vital in her persuasion of the all-male Supreme Court to start dismantling the legal institution of sex discrimination one case at a time.

In 1975, Ruth Bader Ginsburg litigated and won *Weinberger v. Wiesenfeld*, which would become a landmark case in antidiscrimination jurisprudence.

In this case, the widower had been denied survivor benefits, which would allow him to stay at home and raise his son, based on a Social Security provision that assumed only women were secondary providers with unimportant incomes.

While some questioned Ginsburg's choice to challenge instances of sex discrimination by representing a male plaintiff, Ruth Bader Ginsburg saw it as an opportunity to show the court that childcare was not a sex-determined role to be performed only by women.

As with many of her cases, her goal was to free both sexes, men as well as women, from the roles that society had assigned them and to harness the Constitution to break down the structures by which the state maintained and enforced those separate spheres.

As Ruth Bader Ginsburg continued to challenge the stereotypical assumptions of what was considered to be women's work and

men's work, she was able to persuade the Court and the nation that discriminating on the basis of sex was not only wrong but also a violation of the 14th Amendment of the Constitution, which guarantees equal protection to all citizens under the law.

As the courts began to recognize the changing roles of men and women, Ruth Bader Ginsburg was able to advance gender equality with the understanding that women are capable of being heads of households or sole providers for their family.

In 1993, President Bill Clinton appointed Ruth Bader Ginsburg to the Supreme Court, making her the second woman to fill this position.

This historic appointment further symbolized the principle that women were equal to men in every respect, that they could have successful careers and also could, if they chose, be devoted wives or mothers, thereby breaking barriers for generations of women to follow in her footsteps.

In fact, many of Ginsburg's opinions helped solidify the constitutional protections she had fought so hard to establish decades earlier.

While we commemorate Justice Ginsburg's work for advancing the women's movement both as a Justice and as a lawyer, all are in her debt who cherish the progress made in the areas of LGBTQ+ equality, immigration reform, environmental justice, voting rights, protections for people with disabilities, and so much more.

Throughout her life, Ruth Bader Ginsburg worked to make the law work so that America would be more just, equitable, fairer, and better for all.

Whether it be in her legendary dissenting opinions or as leader when in the majority, Justice Ginsburg continued to advocate for the marginalized and most vulnerable.

In recent years, she may not have been able to control the outcome of the rulings, but she grew bolder in her dissents, often stating what should have been the outcome.

Throughout her tenure on the bench, Ruth Bader Ginsburg displayed her rigorous and incisive legal mind and employed her formidable skills as a consensus builder, but she could be tough and forceful when the moment demanded.

Nothing illustrates this better than her famous dissent in *Shelby County v. Holder*, in which the 5-to-4 majority negated the Voting Rights Act of 1965 by invalidating section 4 of the law, which neutralized section 5, the provision of the act that required jurisdictions with a history of racial and ethnic discrimination in voting to obtain preclearance from the federal government before any changes in voting procedures, from polling stations to voter photo IDs could go into effect.

It was in her scathing dissent Justice Ginsburg stated, "Hubris is a fit word for today's demolition of the VRA" and that the majority's logic was akin to "throwing away your umbrella in a rainstorm because you are not getting wet."

Unlike the others, Justice Ginsburg was able to see the ramifications of the ruling and its allowances for reinvigorated efforts of voter suppression.

Today, I join millions of individuals who are mourning the loss of this legal giant, feminist, and trailblazer.

Justice Ginsburg loved this country, so much so that she served the nation while en-

during illnesses and undergoing treatments that would have incapacitated lesser mortals.

She inspired generations of women then and now to shatter glass ceilings, and her legacy will inspire new generations of women in the years to come.

As the news of her passing continues to reverberate across the country and around the world, it is important that we remember and honor what she stood for and continue fighting to realize the goal of equal justice under law.

I am honored to be able to pay tribute to the memory of Supreme Court Justice Ruth Bader Ginsburg, the 'Notorious RBG,' one of the greatest jurists in our nation's history, a tireless and unyielding champion for equal justice, and a fierce defender of the Constitution.

HON. EARL L. "BUDDY" CARTER

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Mr. CARTER of Georgia. Madam Speaker, I rise today to remember and honor the life of Mr. John Dorminey Paulk III of Georgia's First Congressional District, who recently passed away at the age of 85.

He was a teacher, mentor, and friend to countless people, so he was often referred to as the "Mayor of Jekyll."

He loved to enjoy the many golfing opportunities on the island so much that he eventually became a teaching golf professional at the renowned East Lake Country Club in Atlanta, Georgia.

In 1965, he was one of four local qualifiers in the U.S. Open in Atlanta.

Two years later, he became Jekyll Island's Head Golf Professional and was eventually inducted into the Georgia Golf Hall of Fame.

He was such a devoted and accomplished golfer that tournaments were named in his honor, including the "Johnny Paulk Invitational" and the "Johnny Paulk Two Man Classic."

He has shown what it means to be a great ambassador for Jekyll Island and the game of golf.

My thoughts and prayers are with his family, friends, and all who knew him during this most difficult time.

FAREWELL LETTER FROM U.S.
REP. TOM GRAVES (R-GA-14)

HON. TOM GRAVES

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 2, 2020

Mr. GRAVES of Georgia. Madam Speaker, when I was young, my Dad always used to tell me that if I dreamed big and worked hard, I would achieve much. Dream Big, Work Hard, Achieve Much. I have carried that advice with me my entire life. Those words fueled my ability to go from the hall of a single-wide trailer to the halls of Congress.

I write that today as I reflect on what makes America so special: the ability to chart your own course and achieve any dream. My heart is filled with gratitude for our country and the enduring experiment of democracy that has al-

lowed someone like me to end up in the U.S. House of Representatives for the past decade.

Serving as the Representative of Georgia's 9th and 14th districts has truly been the honor of my life. This privilege was made possible by the sacrifice and support of so many wonderful people. First and foremost, my parents "Big Tom" and Penny; my wife, Julie; my children, Josephine, John, and Janey. My family has supported me every step of the way on this path of public service. My wife and children bore a burden that often goes unrecognized in politics. There are many precious days of life that we spent apart. Knowing their sacrifice motivated me every day to do the very best I could. Now it's time to shift the focus to them, and support their journeys and dreams, just as they supported mine.

For my final words entered into the CONGRESSIONAL RECORD as a member of Congress, I want to share the most essential lesson learned over the past decade: the importance of relationship building. Tone, rhetoric and civility are crucial to opening doors to new and unexpected relationships with lawmakers from across the political spectrum. Often the best policies are the product of broad perspectives and creativity, with input from people who bring experience from different walks of life.

I can think of no better embodiment of that ideal than the Select Committee on the Modernization of Congress. Committee members hail from opposite sides of the country, with different professional backgrounds and life experiences. Regardless of our political and personal differences, our commitment to those we serve—our constituents—came first. The way our committee operated should serve as a model for this institution. Our bipartisan collaboration resulted in 97 recommendations to make the legislative branch work better. I hope that this work continues, because the American people deserve an institution that is as forward thinking and innovative as they are. Bipartisan relationships are at the heart of anything that can become law, and the American people are far better off when we connect over shared goals and work together to accomplish them.

Serving on the Select Committee is the perfect capstone to my career in public service. I am grateful to my partner, Chair Derek Kilmer of Washington, for his outstanding leadership. Nothing the committee produced would have been possible without Chair Kilmer's bipartisan approach and boundless passion for our work. I am also grateful to Leader KEVIN MCCARTHY of California for appointing me Vice Chair of the committee. It was truly an honor to be chosen from the pool of talented members I serve alongside.

I am also filled with gratitude for my staff, who have delivered incredible service to my constituents and the country. These are people with a heart for public service, who truly care for our nation. I saw tremendous sacrifices made: long hours, late nights, the burden of stress and pressure that comes with the weight of the work, whether it was securing life-saving veterans benefits for one person or passing a policy that affects millions of Americans. My team carried themselves in such a way that it was clear they knew the honor and privilege of working for the U.S. House.

In my tenure, I had two chiefs of staff: Tim Baker and John Patrick Donnelly. They led our

teams in Washington and Georgia, which included the following people:

My current staff, Bud Whitmire, Jason Murphy, Sam Mahler, Danielle Stewart, Ryan Diffley, Kristin Fillingim, Rachel Black, Max Berry, Diane Menorca, Tracey Bartley, Valerie Jones, Ashley Langston, Travis Loudermilk, Linda Liles and Jackie Mooney.

My former staff, Josh Finestone, Jason Lawrence, Bo Butler, Drew Ferguson, Garrett Hawkins, Shivani Vakharia, Rebecca Anderson, Morgan Joyce, Maggie Newton, Kate

Bell, Ansley Rhyne, Alicia Stafford, Matt Hodge, Paige Davies and Ericka Pertierra.

Appropriations and Modernization Committee staff, John Martens, Jake Olson, Tim Monahan, Jenny Holmes, Dena Baron, Marybeth Nassif, Kelly Hitchcock, Ariana Sarar, Amy Catherine Murphy, Brad Allen, Allie Neill, Shalanda Young and Lisa Molyneux.

These are just some of the many extraordinary people who contributed to our work over the years.

Now, it is time for the next season in life. I will be forever grateful for the incredible privilege of serving my country and my community as a member of Congress.

May God bless every person in this institution, those serving now and those who serve in the years to come, with the wisdom, strength and compassion to advance this great and glorious cause we call the United States of America.

God bless America, and God bless Georgia. Go Dawgs.
