

EXTENSIONS OF REMARKS

IN HONOR OF DR. ANDREW
BROOKS

HON. FRANK PALLONE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Monday, March 8, 2021

Mr. PALLONE. Madam Speaker, I rise today, along with Congressman SOTO, to honor the life of Dr. Andrew Ira Brooks, a hero of the coronavirus pandemic. Dr. Brooks, a longtime Research Professor at Rutgers University in New Jersey, passed away on January 23, 2021 after a vibrant life filled with numerous professional and personal accomplishments.

Dr. Brooks led the effort to develop the Rutgers COVID-19 diagnostic assay in early 2020. This COVID-19 rapid test received FDA Emergency Use Authorization in March 2020 as the first approved saliva diagnostic and was the first test approved for home use. It is particularly important because this low-contact collection method helps protect our frontline medical workers. To date, there have been over four million clinical tests, undoubtedly saving the lives of many around our country and providing a practical tool for pandemic control.

Born and raised in New Jersey, Dr. Brooks went on to receive his Ph.D. degree in Neuroscience from the University of Rochester and became their Director of Medical Center Core Facilities. Four years later, he returned to his home state to direct the joint Rutgers/UMDNJ EOHSI Bionomics Research and Technology Center with an appointment as Research Professor in the Rutgers University Department of Genetics.

In 2009, Dr. Brooks became Chief Operating Officer and Director of Technology Development of RUCDR, Infinite Biologics, a Rutgers public/private partnership. He also served 17 years as an advisor to the Food and Drug Administration, as Director of the Harlan GeneScreen Laboratory and as Co-Founding Director of the BioProcessing Solutions Alliance. In June 2020, Dr. Brooks founded Infinity BiologiX and became its Chief Executive Officer and Chief Scientific Officer. Dr. Brooks also made significant academic contributions to the improvement of human health and the field of biomedicine which can be seen in the 70 publications he coauthored, several with over 1000 citations in the literature.

Dr. Brooks loved golf, playing the sport throughout his life. He was an extraordinarily accomplished amateur, winning international tournaments with his skill, concentration, and friendly competitive spirit. He is survived by his mother, Mrs. Phyllis Brooks, his sister, Janet Green, his children Lauren, Hannah and Danielle, and his loving wife, Jil Brooks, as well as many dear friends and colleagues.

Madam Speaker, I sincerely hope that my colleagues will join me in honoring Dr. Andrew Brooks for his dedication to the medical field and the countless lives he saved by leading the effort to develop the Rutgers COVID-19 saliva test.

IN MEMORY OF REVEREND
BRYANT WARDELL RAINES

HON. SANFORD D. BISHOP, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Monday, March 8, 2021

Mr. BISHOP of Georgia. Madam Speaker, it is with a heavy heart and solemn remembrance that I rise today to pay homage to an outstanding man of God, dedicated public servant, courageous soldier, and friend of longstanding, Reverend Bryant Wardell Raines. Reverend Raines transitioned from labor to reward on Wednesday, February 24, 2021. His homegoing service was held on Saturday, March 6, 2021, at 11 a.m. at the Macon City Auditorium in Macon, Georgia. He leaves behind a loving family, his dedicated church congregation at the New Pilgrim Missionary Baptist Church (NPMBC), and an appreciative community for his extraordinary life of service to God and humankind.

A native son of Macon, Reverend Bryant Wardell Raines was born on February 3, 1977, to the union of Mrs. Barbara Tharpe Raines and the late Reverend Curtis Raines, Sr. He thirsted for knowledge and self-improvement. He was a 1995 graduate of Central High School and a 1999 graduate of Clark Atlanta University, where he received B.A. Degrees in English, Philosophy, and Religion. In addition to attending Georgia Southern University (in pursuit of an M.A. Degree in Public Administration) and The Morehouse School of Religion at the Interdenominational Theological Center, he was also a 2001 graduate of the United States Army Chaplain Center and School. He was pursuing an M.A. Degree in Evangelism and Church Planting at Liberty University when the Lord called him home.

Reverend Raines served his country honorably in the United States Army as the Chaplain Assistant for the Installation Garrison Command, 3rd Infantry Division and the 4th Battalion 64th Armor Regiment of Fort Stewart, Georgia. He received awards for his valiant service including Army Service Ribbon (2001); Army Commendation Medal (2001, 2002, 2003, and 2004); National Defense Service Ribbon (2001); Primary Leadership Development Ribbon (2003); Presidential Unit Citation (2003); and Global War on Terrorism Service Medal (2003).

Reverend Raines was a man of God, truly devoted to his calling—a calling from God, passed to him through his father, Reverend Curtis Raines, Sr., who was his predecessor at NPMBC and the past president of the General Missionary Baptist Convention of Georgia. As the beloved Pastors of NPMBC, they utilized their roles as spiritual leaders to fully engage with their community by creating numerous outreach programs and opportunities to enrich the lives of those around them. Before his transition, Reverend Bryant Raines worked tirelessly with The Curtis Raines, Sr. Foundation on the development of The Curtis Raines, Sr. Health and Wellness Facility. This holistic

community center seeks to minister to the total person by providing programs and resources to promote both physical and spiritual wellness.

Reverend Raines believed strongly that involvement in his local and state-level sacerdotal communities was an integral part of his calling as a Minister of the Gospel of Jesus Christ. Accordingly, he served in numerous roles that had as their purpose the uplift of humankind. In addition to being the beloved Pastor of NPMBC, he served the Deacon, the Audio and Video, and the Evangelism Ministries at NPMBC; President of the Sixth District of the General Missionary Baptist Convention of Georgia, Inc.; Vice President of the Sixth District of the General Missionary Baptist Convention of Georgia, Inc.; Member of the Board of Trustees at Wesley Glen Ministries; Member of the Rotary Club of Macon, Georgia; Member of the Baptist Minister's Union of Macon and Vicinity; and as Founder of the Heal the Hood Initiative, a community initiative to combat violence and address the needs of the total community.

Mother Teresa once said that “At the end of life we will not be judged by how many diplomas we have received, how much money we have made, how many great things we have done. We will be judged by “I was hungry, and you gave me something to eat, I was naked and you clothed me. I was homeless, and you took me in.” Reverend Bryant Wardell Raines, in his life, did just that, and the world is better because he passed this way. On a personal note, the advice, counsel, friendship, and support that I have received from Reverend Raines as Congressman for the Second Congressional District has been immeasurable. He never told me what I wanted to hear, but he always told me what he felt I needed to hear. And, for that, I will be forever grateful.

Reverend Raines accomplished much in his life, but none of it would have been possible without the Grace of God and the love and support of his family including his wife, Mrs. Ilashia Brezial Raines; and his siblings, Shun, Curtis, Jr., and Varina. He loved his family. His family loved him back. And they will miss him along with all of us whose lives he touched.

Madam Speaker, I ask my colleagues in the U.S. House of Representatives to join my wife, Vivian, and me, along with countless others throughout Georgia and the nation in saluting Reverend Bryant Wardell Raines for his service in the ministry, to his country, and to humankind; and in extending our deepest condolences to Reverend Raines' family, friends, loved ones, and all those who mourn his loss. We pray that they will be consoled and comforted by an abiding faith and the Holy Spirit in the days, weeks, and months ahead.

HONORING ROSE CORDASCO'S
100TH BIRTHDAY

HON. ANDY KIM

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Monday, March 8, 2021

Mr. KIM of New Jersey. Madam Speaker, I rise today to honor Rose Cordasco's 100th birthday. Rose is a loving, kind mother, sister, grandmother and great-grandmother. She is beloved by her family and from how her family has described her, it is clear that she has made the most of each of her one-hundred years.

I wish her the best on achieving this milestone.

HONORING JOSEPHINE MORSE

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Monday, March 8, 2021

Ms. NORTON. Madam Speaker, I would like to take this opportunity to recognize the extraordinary service of Josephine Morse, who served in the House Office of General Counsel as a Deputy General Counsel. During her tenure, Ms. Morse, a District of Columbia resident, played an integral role in safeguarding the legal interests of the House and its Members, Officers, and employees in federal court litigation involving issues of the highest institutional importance.

Ms. Morse provided invaluable legal counsel and representation to numerous House committees, greatly assisting them both in fulfilling their constitutionally authorized oversight functions and defending those prerogatives in litigation. Ms. Morse provided vital legal counsel to the House in both impeachments of President Trump and in defense of longstanding institutional prerogatives. Those prerogatives included the House's constitutional authority under the Appropriations Clause and the power of House committees to issue subpoenas for both documents and testimony from the White House and Executive Branch agencies.

Of particular importance to the District of Columbia, Ms. Morse's legal work in litigation involving the District's quest to obtain the fundamental right of voting representation in Congress was exceptional, and her oral advocacy on behalf of the House's position in support of voting representation for the District before a three-judge district court was highly effective.

Ms. Morse's work on behalf of the House was of the highest caliber, and I have no doubt that the Office of Management and Budget, which she recently joined, will benefit from her outstanding legal counsel. On behalf of the entire House community, I thank Ms. Morse for her dedicated service to the House, and I wish her the very best in all of her future endeavors.

HONORING THE LIFE OF CHARLES
WALKER PREWITT SR.

HON. JOE COURTNEY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Monday, March 8, 2021

Mr. COURTNEY. Madam Speaker, I rise today to observe and mourn the passing of a talented scientist, college professor, and most notably a "citizen of the world" who passionately advocated for world peace and justice, Mr. Charlie Prewitt, of Mansfield Hollow, Connecticut. My friend Charlie passed at the extraordinary age of 102 on January 7, 2021, sadly due to complications related to the coronavirus.

My statement today could not begin to encapsulate all that Charlie had accomplished during his industrious life. Born in Indiana in 1918, he showed such academic aptitude from an early age when he entered the second grade by age five. A prolific musician, playing both piano and violin, he received a scholarship to play in the Transylvania University orchestra where he would then go onto earn a bachelor's degree in chemistry. Charlie also met the love of his life, Virginia Stewart, at his alma mater—a love that would last 65 years.

Charlie went on to continue his education at Louisiana State University when his graduate work was interrupted by World War II. Due to his background in chemistry, he was conscripted to work at Dupont Chemical on extending the burn rate of gunpowder. That work led him to the Manhattan Project where he collected samples from reactors and ran titrations on plutonium. His involvement in the creation of nuclear weapons and intimate knowledge of their terrifying power was a driving motivation for his determined commitment to nuclear nonproliferation.

When the war ended, Charlie completed his graduate work, obtaining a Master's in Education at University of Kentucky, followed by a Doctorate in Science Education at Columbia University. In 1952, he and Virginia finally landed in Willimantic, Connecticut when he moved to take a professorship at the then named Willimantic State Teachers College, now Eastern Connecticut State University. His commitment to his students and his passion for educating educators was unmatched. His leadership led to the establishment of a minor degree in Peace and Human Rights at the University and the development of a scholarship program for students pursuing this degree.

While he remained in Connecticut for the rest of his life and career, Charlie never lost sight of foreign affairs. He accepted a Fulbright Scholarship to Myanmar, a U.S. AID position in Afghanistan and finally joined a Ford Foundation project in Pakistan. His commitment to war resistance, social justice, peace, and advancement of human rights never wavered.

Charlie and I crossed paths many times during my time in public service, and while we would engage in healthy debate, our conversations always left me with a deeper understanding of the issues and an even deeper respect for his commitment to them. Charlie's loss leaves a deep void in the activist community in Eastern Connecticut and around the world. He now goes on to join his loving wife Virginia, who regrettably predeceased him in

2007. Madam Speaker, I ask that my colleagues and this Chamber to join me in expressing our deepest respect for Charlie's work and life and send our deepest condolences to the Prewitt Family. Charlie is survived by his children Charles Walker Jr., (John) David Prewitt and Mary Stewart Prewitt and their families who carry the indelible memory of Charlie and Virginia in their hearts so that their example of compassion and kindness will carry on.

TRIBUTE TO GAYLE GRIFFIN,
AFGE'S DISTRICT 7 WOMAN OF
THE YEAR

HON. GWEN MOORE

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Monday, March 8, 2021

Ms. MOORE of Wisconsin. Madam Speaker, I rise to pay tribute to the career and ongoing legacy of Gayle Griffin, a retired nurse formerly employed at Milwaukee's Clement J. Zablocki VA Medical Center and President of the American Federation of Government Employees (AFGE) Local 3. She is an exemplary voice in our community and has consistently used her position to defend others. I want to congratulate her on her recent selection as AFGE's District 7 Woman of the Year.

Gayle is the first African American to ever be elected president of her Local AFGE branch. During her time in AFGE leadership, she has continually used her position to advocate for her members against anti-union executive orders, racism, and other inequities as a fierce champion for social justice.

Throughout her eleven-year career as a nurse serving our veterans at the Milwaukee VA, Gayle was one of many Black nurses who endured racism in her workplace. However, rather than backing down, she resolutely sought to protect and defend the rights of workers at the Local AFGE branch. She has spoken out about the tremendous struggles that VA nursing staff are facing amidst the COVID-19 pandemic and has repeatedly called for more honest communication from the Department of Veterans Affairs with its employees.

On February 21, 2021, Gayle was selected as AFGE's District 7 Woman of the Year. This important award is granted to those who exhibit selfless dedication to union solidarity, public service, and workplace health and safety. This is an honor that Gayle has truly earned. She has fought tirelessly to protect the health of veterans, for workers' rights, and for commonsense workplace safety and equity—especially during the devastation of the COVID-19 pandemic.

Her altruistic spirit and inspiring dedication to her colleagues and community are why Gayle is so deserving of the title of AFGE's District 7 Woman of the Year. Wisconsin's 4th Congressional District, and the veterans who depend on the VA for their health care, have been made better as a result of Gayle's phenomenal work. I sincerely respect her determination and applaud her accomplishments. Madam Speaker, I am proud to honor my constituent and her recent accomplishment and celebrate the great work that she and others in AFGE District 7 are doing in service to our veterans, our country and the state of Wisconsin.

PERSONAL EXPLANATION

HON. MARY E. MILLER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, March 8, 2021

Mrs. MILLER of Illinois. Madam Speaker, by accident, I failed to vote on H.R. 1, the "For the People Act" while on the floor for the vote series. Had I been present, I would have voted NAY on Roll Call No. 62.

HONORING THE LIFE OF HECTOR
F. ELIZALDE**HON. GRACE F. NAPOLITANO**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, March 8, 2021

Mrs. NAPOLITANO. Madam Speaker, I rise today to honor a true champion for veterans, a dear friend, a wonderful employee and colleague, a proud resident of the City of Monrovia, and a dedicated, caring gentleman in Hector Elizalde, our beloved Deputy District Director of the 32nd District, who died on February 7, 2021, from complications due to COVID-19. For the past 11 years, Hector was truly devoted to his job of defending, advocating for, and serving veterans and their families, and tackling any problem that came his way. He was the embodiment of what it means to serve one's nation and one's community, holding true to his pledge to never leave a soldier behind, whether on the battlefield or city street.

Hector F. Elizalde was born in Chicago, IL on February 15, 1946. He served in the United States Army from July 31, 1964, until he was honorably discharged on July 28, 1967. Hector later graduated from California State University, Los Angeles with a Bachelor of Arts degree in Political Science. He worked for some of America's most recognized companies, such as Anheuser-Busch, Stroh Brewery Company, PepsiCo, and Don King Productions. His career advancements led the Elizalde family to live throughout the country, from 1984, in the states of Michigan, Connecticut, New York, and Florida until his return to California in 1997. Hector could have continued excelling in lucrative professions, but he had a great sense of duty to any and all fellow veterans, and also to his neighbors.

From the very first day he entered our office in the spring of 2010 until his very last on this earth, Hector honorably served the veteran community. Whether it was helping a homeless veteran find shelter or escorting the casket of a fallen servicemember at the airport, Hector's compassion for helping veterans touched countless lives. Giving out his personal cell phone number was nothing out of the ordinary, and whenever he did so, he made sure everyone knew that it was a 24/7 number.

Hector understood the frustration many veterans felt because of delays in VA benefits and routine health checkups that would take an entire day. He took this personally and vowed we must do better. Under his tenure as Military/Veterans Liaison, we began to hold an annual Veterans Forum, to bring the VA to the San Gabriel Valley, which grew in size and reach each successive year. As a result of

Hector's persistence and laser-focus on the mission, the San Gabriel Valley VA Health Clinic was opened in May 2019 in Arcadia, CA.

A sharp dresser, but very humble individual, he never sought nor wanted praise. He was there for everybody. He served not only the people of the 32nd District, but all of Los Angeles County, as Chair of the Los Angeles County Veterans Advisory Commission, to which he was appointed by LA County Supervisor Kathryn Barger.

Since his passing, the outpouring from people whose lives he touched has been immeasurable, because he was a true believer in public service. From the many hours he spent resolving constituents' casework, to the city council meetings, weekend veteran and community events he would attend; for Hector, the public's needs always came first.

Hector is survived by his ex-wife, Elaine, the mother of his two adult children; sons Phillip and Edward; Edward's wife Ingrid; and their two children, Isabella and Aiden. Hector truly loved and was proud of his family, especially his grandchildren.

Hector made us all feel like family. He was kind, respectful, thoughtful, and helpful to everyone he met. His charisma and smile will never be forgotten. His laughter and the way he cared for others will forever live on in our memories. It was our honor to be able to work alongside him.

The world has lost a hero. Hector was the best of the best, and we are all better people because of him. There is no one else like him and probably never will be, but it is safe to say, our world needs more Hectors.

IN MEMORY OF LAURA COLE

HON. CHELLIE PINGREE

OF MAINE

IN THE HOUSE OF REPRESENTATIVES

Monday, March 8, 2021

Ms. PINGREE. Madam Speaker, I rise today to honor and remember an extraordinary Maine woman, Laura Cole.

Laura lived her life purposefully, offering help and engendering hope and happiness as a partner, parent, volunteer, friend, business owner, and citizen of Maine. She understood the power of one person's voice and helping hand, and her spirit was contagious.

Laura exemplified the words of Edward Hale, "I am only one, but still I am one. I cannot do everything, but still I can do something; and because I cannot do everything, I will not refuse to do something that I can do."

It seems there was very little that Laura did not do, and she received several awards for her efforts, including the Presidential Volunteer Service Award in 2012, the Responder of the Year Award in 2013, and the New Maine Business of the Year for York County, Maine, in 2019. She spearheaded her community's Operation Santa program for kids and the annual Lebanon Community Festival. In the midst of this winter that has been darkened by a pandemic, she created two acres of holiday lights for the community to enjoy from their cars and drop off canned food to donate to local food pantries. And she used proceeds from her event photography business to support End 68 Hours of Hunger and buy lunches to support local restaurants and donate to first responders.

Not only did Laura devote her life to acts of kindness and caring, her final gifts were organ and tissue donations, providing lifesaving help and health to over a dozen people. In her honor, the family has established Laura's Legacy of Love as a living memorial project with a simple mission—to promote kindness by paying it forward in her name.

I am proud to have represented Laura Cole in the U.S. Congress—an indefatigable young woman who loved Maine and set an extraordinary example for us all.

100TH BIRTHDAY OF EMMIE
'BOOTS' BURK**HON. JOAQUIN CASTRO**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, March 8, 2021

Mr. CASTRO of Texas. Madam Speaker, it is with great honor that I rise today in celebration of Mrs. Emmie 'Boots' Burk to commemorate the very significant milestone of her 100th birthday.

Emmie Fulton Burk was born on Texas Independence Day, March 2, 1921 in Koblenz, Germany to an American military family stationed overseas. Growing up in the State of Georgia she learned the importance of family and tradition. She was a member of the first Girl Scout troop on Ft. Screven, Georgia (Tybee Island). When her father, MSgt. Benjamin Fulton was later stationed at Ft. Sam Houston, San Antonio, Emmie moved to finish high school in 1939. She has been a proud Texan ever since.

In 1942, she married the love of her life, James William Burk. She helped raise their son and daughter and became very active in their children's school and extracurricular activities, as well as church and other community service. She was independent and career driven. After the passing of her husband in 1979, she worked to solely support herself eventually going on to work in the early stages of market research. After several years in the industry, she began her own company, Burk Market Research, growing it into a successful venture through the 1970s to 1990s.

A faithful public servant, she worked with the United States Census Bureau assisting with many monthly studies, to include current population studies. This led her to travel across our great country to many different areas, where she helped lead the count. In 1991, she received the Bronze Medal for meritorious service. Mrs. Burk retired in 2011 at the age of 90 with 43 years of service, making her one of the longest serving members in the Bureau's history.

Today you will find Mrs. Burk attending one of her great grandchildren' events. A strong family-driven mind, Mrs. Burk dedicates her time to family and making new joyful memories. Madam Speaker, I am proud to honor Mrs. Burk and a tremendous life well-lived. I thank Mrs. Burk for her many years of public service. It is my hope that she will share her 100th with all her loved ones.

SUMGAIT, KIROVABAD, AND BAKU
MASSACRES

HON. BRAD SHERMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, March 8, 2021

Mr. SHERMAN. Madam Speaker, I stand in solidarity with the Armenian American community in commemorating the pogroms against Armenians in the cities of Sumgait (February 27–29, 1988), Kirovabad (November 21–27, 1988) and Baku (January 13–19, 1990).

Thirty-three years ago, in the Azerbaijani town of Sumgait, peaceful Armenian residents were brutally targeted on the basis of their ethnicity and subjected to unspeakable crimes. The New York Times reported Armenians being “hunted” down and an account of a pregnant Armenian woman, who had been disemboweled. The U.S. Senate passed an amendment in July of 1989, noting that even the Soviet government had termed the murder of Armenians in Sumgait a “pogrom.”

The Sumgait Pogroms were the beginning of an escalation of violence against the Armenian minority, with a wave of anti-Armenian violence spreading to Kirovabad in November 1988 and to Baku in January 1990, which culminated in the forcible expulsion of 390,000 Armenians from Azerbaijan and the 1991–94 war over Artsakh (Nagorno Karabakh).

In response to the Sumgait and Kirovabad pogroms, over 100 leading academics and human rights advocates, including the Executive Director of the NAACP and Elie Wiesel, placed an advertisement in The New York Times titled: “An Open Letter to International Public Opinion on Anti-Armenian Pogroms in the Soviet Union.” The letter appealed to the international community to condemn the atrocities and prevent further violence by stating: “The international community of states . . . must prove the authenticity of its commitment to human rights in order to ensure that, due to indifference and silence bordering on complicity, another genocide does not occur.” (July 27, 1990, The New York Times)

Unfortunately, Azeri attacks against Armenian civilians have only continued. In its latest bout of aggression against Armenia and Artsakh in the fall of 2020, Azerbaijan carried out indiscriminate attacks against civilians. A report by Human Rights Watch found that Azeri forces used inherently indiscriminate cluster munitions and artillery rockets or other weapons that did not distinguish between military targets and civilian objects. Multiple strikes hit residential homes in less than a minute, suggesting bombardment of civilian areas.

Today, Armenians are still held captive in Azerbaijan, with no planned date to be returned to Armenia. Armenian prisoners of war have been subjected to physical beatings and other inhumane treatment at the hand of Azerbaijan. The government of Azerbaijan must be held accountable by the international community, and I will continue to work in Congress to shed light on and learn the lessons of such past and present atrocities.

REMEMBERING BOB SMITTCAMP

HON. DEVIN NUNES

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, March 8, 2021

Mr. NUNES. Madam Speaker, I rise today to honor the life of a San Joaquin Valley legend, Robert Smittcamp, who passed away on March 4, 2021, at the age of 79. I am deeply saddened by Bob's passing.

Bob was a one-man Valley institution. A businessman, philanthropist, and community activist, he headed both Lyons Magnus food company and Wawona Packing. He had a particular passion for expanding healthcare access and improving education, donating millions of dollars to enhance both sectors throughout the Valley.

I'm lucky to have had Bob as a close friend and mentor. I was among countless Valley residents who frequently turned to him for advice on Valley issues. His assistance was invaluable on critical issues such as the Valley water crisis and the 2008 recession.

Bob and I also spent many hours discussing how to bring high-quality, affordable healthcare to every Valley family. I valued his insights on that question because he developed innovative ways to provide healthcare for his employees, who he always viewed as part of his own family. I'm convinced Bob's approach provides a model for drastically improving healthcare for the entire country.

Bob epitomized all the virtues of the San Joaquin Valley. He was always available to help those of us who sought his guidance. But if you were looking for someone to sugarcoat a tough situation, then Bob was not your best option. He was an honest straight-shooter who'd give you candid answers whether you wanted them or not. That's why I always consulted him when I had especially tough problems that needed realistic solutions.

Bob's love for the Valley ran deep, and the region is richer in countless ways thanks to his contributions. He created jobs, ran companies that fed millions of people, shared his wisdom and experience with anyone who asked, generously funded deserving community institutions, and raised an exceptional family.

Bob was simply irreplaceable. He'll be deeply missed, but he leaves behind an incredible legacy of hard work, success, and unconcealed passion for the Valley and its people. I offer my deepest condolences to his wife Annette, his children Brent, Lisa, and Brandon, and the rest of his family.

FOR THE PEOPLE ACT OF 2021

SPEECH OF

HON. VICTORIA SPARTZ

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 2, 2021

Mrs. SPARTZ. Madam Speaker, today I rise in opposition to H.R. 1 on account of several major issues with the bill. First, this bill did not go through committees and proper deliberations. Second, this bill takes drastic steps to federalize our elections and infringe on States' rights. Third, this bill increases opportunities for fraud without proper guardrails or internal controls. To mitigate some fraud risks, I pro-

posed an amendment dealing with election audits, which was rejected by Democrats on the House Rules Committee.

THE DISTRICT OF COLUMBIA MEMBERSHIP ON CAPITOL POLICE BOARD ACT

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Monday, March 8, 2021

Ms. NORTON. Madam Speaker, today, I introduce the District of Columbia Membership on Capitol Police Board Act, which would make the chief of the D.C. Metropolitan Police Department (MPD) an ex officio, non-voting member of the Capitol Police Board (Board). The Board oversees the U.S. Capitol Police (USCP) and security for the U.S. Capitol complex and is comprised of three voting members (the House Sergeant at Arms, the Senate Sergeant at Arms and Doorkeeper and the Architect of the Capitol) and one ex officio, non-voting member (the USCP chief). My bill would give the MPD chief the same status on the Board as the USCP chief.

The events and aftermath of the attack on the Capitol on January 6, 2021, demonstrate the need for D.C. membership on the Board. Not only would the MPD chief's membership on the Board help improve coordination between USCP and MPD, which helped save the Capitol and its occupants after USCP was overrun during the attack, it would force the Board to consider the interests of D.C. residents in its decision-making. The Board's decisions affect D.C. residents more than any other Americans, but no member of the Board has any obligation to consider the perspective and needs of D.C. residents. D.C. residents continue to bear the brunt of the security decisions the Board has made since the attack. For example, the fencing around the Capitol complex has forced D.C. emergency vehicles and residents to take detours and has prevented access to the Capitol grounds, which are used by neighborhood residents for recreation and relaxation.

I support the calls to evaluate whether the Board is the right mechanism to oversee security at the Capitol, but as long as the Board is in existence, D.C. should have membership on it.

I urge my colleagues to support this bill.

HONORING THE LIFE OF BOB
EGOLF

HON. JIM BANKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Monday, March 8, 2021

Mr. BANKS. Madam Speaker, I rise today to honor the life and legacy of Mr. Bob Egolf of Churubusco, Indiana.

For 65 years, Egolf worked in the grocery business. He started his career at John Shelton's IGA, located on North Main Street in Churubusco in 1956 when he was 14 years old. Seven years later, he purchased the grocery from Shelton in 1967, and in 1982 built a new store south of Churubusco on US 33.

Egolf's IGA is known throughout the area for its freshly cut meats and daily baked bakery

items. Egolf opened the store early and closed late, operating from 7 a.m. to 10 p.m. seven days a week. He made it a point to talk with his customers and would take special orders of items that people wanted.

Egolf was one of the longest continuous business owners in Churubusco's history. In addition to running his business, he frequently gave his time and money to local causes. But for Egolf's partnership with the Churubusco News, the newspaper would not exist today. He also contributed to the community through various organizations, such as with the Churubusco Area Jaycees, Churubusco Chamber of Commerce and as a longtime Smith Township trustee.

The story of Mr. Egolf is one that is uniquely American: defined by hard work, sacrifice, and service to others. Though Bob is no longer with us, his spirit of good will and generosity to those in Churubusco and beyond endures.

RECOGNIZING REVEREND FLOYD L. WHITE, III

HON. ANDY KIM

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Monday, March 8, 2021

Mr. KIM of New Jersey. Madam Speaker, I rise today to honor Reverend Floyd L. White, III on his retirement. During his over twenty years of service, Reverend White has been a stalwart of the community, always putting others' needs before his own.

Since 1988, in his private capacity, Reverend White has served as a Pastor for the Woodland Avenue Presbyterian Church, providing spiritual leadership to church members. In his public capacity, since 1988, Reverend White has served America's servicemen and woman. Beginning as Battalion Chaplain, Reverend White administered to the spiritual and moral needs of approximately 150 soldiers and their families. Eventually, from 2012 to 2019, Reverend White served as the Director of Camden County Veteran Affairs where he worked to better the lives of veterans and their families. After twenty years of service, Reverend Floyd L. White, III more than deserves a peaceful retirement and I wish him the best.

I commend Reverend Floyd L. White, III for his dedication to serving the people of New Jersey and I know the Woodland Avenue Presbyterian Church will be sad to see him go.

HONORING DELWYN SHOWALTER AS IOWAN OF THE WEEK

HON. CYNTHIA AXNE

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Monday, March 8, 2021

Mrs. AXNE. Madam Speaker, I rise today to honor Delwyn Showalter, a long-time coach, athletic director, and mentor to many students in Mount Ayr, Iowa. Delwyn is set to retire from his roles this year, and I wish to recognize him as my Iowan of the Week for his outstanding service to his community.

Delwyn has been with the Mount Ayr Raiders since 1984, serving in a number of roles from teaching social studies, coaching numer-

ous sports, and as athletic director. Under his leadership as co-coach of the Mount Ayr football team, the program has seen continued success with a recent playoff appearance. In fact, Delwyn and his co-coach Derek Lambert, are the winningest coaches in program history with 135 wins in 19 seasons. Even more impressive, the pair has had only one losing record. Delwyn's coaching prowess doesn't end there, however, as he has also coached the basketball team to three conference championships.

Beyond leading his teams to victories, Coach Showalter has also been a leader for his student athletes. His friends and colleagues describe him as a caring and supportive man with an ability to lead young men. His players talk about his work ethic and how he's a man you can look up to as a mentor. He sets high standards for his students yet connects through humor and humility. We all know that there is much more to high school athletics than simply winning, and Coach Showalter is an example to all on the positive influence a coach can have on young student's lives and their community.

For Delwyn, sports is also a family affair. His two sons, Daniel and David, followed in his footsteps. Daniel coaches with his father on the Mount Ayr staff and David is a teacher and coach in Ackley, Iowa. While I know his players and community will miss Delwyn on the sidelines, I am sure he'll stay connected to the sport through his family. After 36 years with the Mount Ayr Raiders, Delwyn deserves this retirement and we all can be thankful for his service to his community. I am proud to recognize Coach Delwyn Showalter as my Iowan of the week.

GHANAIAN COMMUNITY IN AMERICA

HON. DANNY K. DAVIS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, March 8, 2021

Mr. DANNY K. DAVIS of Illinois. Madam Speaker, the United States of America is home to hundreds and thousands of people of Ghanaian heritage including those who were born on this soil to those whose family emigrated here for education, job, or economic opportunities—for the American dream.

Ghanaian Americans are an important fabric in the tapestry of America from the cab driver to the medical doctor. You will find them in all parts of the country from Chicago to New York to suburban Ohio and Massachusetts. The culture is hard to ignore with rich food, the iconic Kente cloth, storytelling, inventions, architecture, and music.

Today more than ever Ghanaians living in the United States worry about racial injustice, home ownership, access to education, access to small business and immigration support.

Like many Americans, the Ghanaian community in America is not exempt from the COVID-19 crisis. Ghanaian Americans are essential workers and are very active in the health care industry, especially as nurses, personal care aides, and nursing assistants. Ghanaians are included in the 27.5 percent of all Black immigrant workers in the U.S.—more than 750,000—who work in the healthcare sector. Additionally, essential workers include

frontline workers in other key industries like food and service & hospitality and leisure.

And Ghanaian Americans have been contributing to the success and business continuity of important industries during these dire times. Ghanaian Americans are included in 23 percent of immigrants in the U.S. who work in the food and service industry, as well as 20 percent of immigrants in the U.S. who work in hospitality and leisure.

We recognize March 6, 2021 as the 64th anniversary of Ghana's independence, its thriving heritage and the rich contributions of its people who are important members of our community.
